The Overview Group of the NSSD-9 on comprehensive energy security policy meets Friday, July 16, 2:30 P.M. in the Situation Room to discuss the following papers:

1. Status of the overall study - control sheet attached.
2. Second draft of Part II-A, B and C - attached.
3. First draft of Part II-D (with exception of section on economic consequences which will be distributed at the meeting for comment in writing after the meeting) - attached.
4. First draft of Part III-B 3 and 4 - attached.
5. Detailed outline of Part III-A and Part III-B 1 and 2 - attached.

The meeting is scheduled to run until 4 P.M. Since Part II-A, B and C is in second draft, we would expect to review it briefly to identify major issues, and then move on to the first drafts of Part II-D and Part II-B 3 and 4. You should also review carefully the detailed outlines of Part III-A and Part II-B 1 and 2 for omissions. These sections in first draft will be the primary focus of our next meeting of the overview group early in the week of July 26.
